

## Call of Duty 4 Demo & Full Game Cheats

### Cheat Codes (DEMO VERSION)

Enable the console from the game's in-game options.  
Hit the tilde key (~) to drop the dev-console.  
Type seta thereisacow "1337" and then press ENTER.  
Type spdevmap bog\_a and then press ENTER.  
This will start the demo with cheats enabled.  
When playing, drop down the dev-console and enter the following codes and hit ENTER to activate or toggle them.

### Cheat Codes (COMPLETE VERSION)

Same as above but after you load up the spdevmap bog\_a exit out and load the level you are currently at, or a new game.

You can not select "resume" and have the cheats function you can however select the map/act you want to start at with the cheats enabled.
